

Advanced Diploma of Civil Construction Design

Course Description

This qualification reflects the role of an individual working as a senior civil works designer or a para-professional designer, who supports professional engineers. They perform tasks that are broad, specialised, complex and technical and include strategic areas and initiating activities. They are responsible for the design of complex projects to ensure the implementation of the client's site requirements and are required to demonstrate self-directed application of theoretical and technical knowledge and initiate solutions to technical problems or management requirements.

What will I learn?

12 Units of Competency (*5 Core Units + 7 Elective Units)

BSBPMG632*

Manage Program Risk

A curated collection of software applications and tools, organized for easy access and efficient management, facilitating streamlined workflows and improved productivity.

BSBTWK502*

Manage Team Effectiveness

The process of optimizing team dynamics through clear communication, goal alignment, and performance monitoring to boost collaboration and achieve shared objectives.

BSBWHS616*

Apply Safe Design Principles to Control WHS Risks

Implementing design strategies that prioritize safety and minimize workplace health and safety (WHS) risks by anticipating hazards and promoting a safer work environment from the outset.

RIICWD601E*

Manage civil works design processes

Overseeing the planning, development, and execution of civil engineering projects to ensure compliance, efficiency, and high quality outcomes throughout the design lifecycle.

RIICWD601E*

Manage civil works design processes

Overseeing the planning, development, and execution of civil engineering projects to ensure compliance, efficiency, and high quality outcomes throughout the design lifecycle.

Be educated and feel empowered

VET National Code: RII60520
Qualification CRICOS Code: 116248A
Qualification Status: Current
AQF Level: 6

01. C A M P U S

- Modern Classrooms
- Wi-Fi / Area to relax
- Student Guide / Course books will be provided

Mode of Delivery: Blended mode of delivery consisting of face-to-face and online delivery

Location of course: Ground Floor 61 Riggall Street, Broadmeadows, Victoria, 3047

02. D U R A T I O N

Total Course Duration: 104 weeks, including 88 study weeks and 16 weeks of holidays.

03. C O U R S E F E E S

Total Tuition Fee (ONSHORE): AUD \$20,000
Total Tuition Fee (OFFSHORE): AUD \$24,000
Material Fee: AUD \$750 / Year
Application Fee: AUD \$250 (non-refundable)

04. E N T R Y R E Q U I R E M E N T S

- Have demonstrated an IELTS level at score of least 6.0 or equivalent (test results must be no more than 2 years old).
- Must be a proficient user of advanced calculators.
- Successfully completion of Australian year 12 or equivalent is mandatory.
- Are at least at age of 18 on the date of course commencement.
- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
